

Parents and 8th Graders!

Thank you for your interest in the shadowing program at Northeast High School. We look forward to giving you a glimpse of a day in the life of a NEHI student. Enjoy the vibrant campus, rich in activities and opportunities to grow. We are confident that our comprehensive high school experience, comprised of five different career academies, advanced classes, clubs, competitive athletic teams, leadership organizations, spirit rallies, field trips, work-experience opportunities, and mentorships, offers all students a unique opportunity to express their individuality, creativity, and spirit. Administration and teachers understand that students have a choice and we encourage you to give Northeast High School strong consideration.
